

Introducing...

BTAC 2.0

You spoke, we listened.

ATTN CUSTOMERS: The Breaker Group, Inc. proudly announces the new and improved Breaker Technical Assistant Center (BTAC). BTAC 2.0 offers efficiency and convenience, exclusively for the valued customer. Unlike before, if a problem occurs, customers will go directly to our BTAC center ensuring a quicker response time, quantifying results. The main points of contact, for easiest convenience are: call the direct line, email BTAC, or open a direct ticket. No more waiting around for engineers, BTAC 2.0 is there at your call.

Call 609-668-6427 to set up your BTAC 2.0 account.
